PROFESSIONAL SUMMARY

Cybersecurity student with an A.A.S. in Digital & Computer Forensics and experience in cybersecurity testing, technical documentation, leadership, and community engagement. Interested in cybersecurity, digital forensics, and federal service.

EDUCATION

Baldwin Wallace University | Berea, OH
B.S. in Cybersecurity Analyst, National Security Minor | Expected May 2027
Lorain County Community College | Elyria, OH
A.A.S. in Digital & Computer Forensics | Graduated May 2025 with Honors

CYBERSECURITY & TECHNICAL SKILLS

Digital Forensics • Linux/Kali Linux • Windows PowerShell • Wireshark • Cisco Packet Tracer • Windows Server • Network Troubleshooting • Cybersecurity Testing • Technical Documentation

RELEVANT EXPERIENCE

CyberSafely.ai | Remote | Summer–Fall 2026
Onboarding & Customer Success Intern
Conduct cybersecurity-focused application testing across multiple communication platforms and document alerts, bugs, and application behavior.
Create structured testing scenarios, weekly testing plans, personas, and standard operating procedures to support consistent testing and documentation.
Prepare formal bug reports, weekly reports, and project statistics; communicate findings to supervisors during regular check-ins.
Supported a large-scale Missouri school outreach initiative by researching district contacts, generating and organizing hundreds of QR codes, and tracking redemption data by district.
Develop onboarding materials and presentations that translate technical application features and alert levels into clear information for users.

LEADERSHIP & COMMUNITY EXPERIENCE

Powers Martial Arts Academy | North Olmsted, OH | December 2022–Present
Karate Instructor
Teach self-defense to students ranging from toddlers to adults, adapting instruction to different ages and experience levels.
Participate in community outreach, including volunteer instruction at local daycares and assisting Girl Scouts in earning self-defense patches.
Help coordinate holiday and student-appreciation events for groups of more than 30 participants.
X-treme Gymnastics | Middleburg Heights, OH | March 2023–Present
Team and Recreation Coach
Lead gymnastics classes of up to 15 athletes while maintaining structured, safe, and age-appropriate instruction.
Train new employees, manage attendance across multiple classes, and develop weekly lesson plans.
Earned USA Gymnastics coaching certification, permitting travel to sanctioned meets as a coach.

CAMPUS INVOLVEMENT & LEADERSHIP

Women in STEM Club, Baldwin Wallace University
COF STEM Scholar Peer Mentor — support an incoming STEM Scholar with transition to campus and STEM resources.
